

# Exploring Dense Optical Flow for Gait Recognition: Challenge on the OUMVLP-OF Gait Dataset

## License Agreement

### Introduction

The OUMVLP-OF dataset is meant to aid research efforts in the general area of developing, testing and evaluating algorithms for optical flow-based gait analysis. SANKEN, Osaka University (OU) has copyright in the collection of gait video and associated data and serves as a distributor of the OUMVLP-OF dataset.

### Consent

The participant(s) agrees to the following restrictions on the OUMVLP-OF dataset:

- 1. Redistribution:** Without prior written approval from the database administrator, the OUMVLP-OF dataset, in whole or in part, will not be further distributed, published, copied, or disseminated in any way or form whatsoever, whether for profit or not. This includes further distributing, copying or disseminating to a different facility or organizational unit in the requesting university, organization, or company.
- 2. Modification and Commercial Use:** The OUMVLP-OF dataset, in whole or in part, may not be modified or used for commercial purposes.
- 3. Requests for the OUMVLP-OF dataset:** All requests for the OUMVLP-OF dataset will be forwarded to the database administrator.
- 4. Publication Requirements:** Those seeking to include renderings of more than 10 still frames or a video clip from the OUMVLP-OF dataset in reports, papers, and other documents to be published or released must first obtain approval in writing from the database administrator. In no case should the still frames or video be used in any way that could cause the original subject embarrassment or mental anguish.
- 5. Citation/Reference:** All documents and papers that report on research that uses the OUMVLP-OF dataset will acknowledge the use of the database by including an appropriate citation.
- 6. Publications to Osaka University:** A copy of all reports and papers that are for public or general release that use the database should be forwarded immediately upon release or publication to the database administrator.
- 7. Indemnification:** Researcher agrees to indemnify, defend, and hold harmless SANKEN, Osaka University and its Board of Trustees, officers, employees and agents, individually and collectively, from any and all losses, expenses, damages, demands and/or claims based upon any such injury or damage (real or alleged) and shall pay all damages, claims, judgments or expenses resulting from researcher's use of the database.
